## The new attraction at lake Russweiher Eschenbach

Adventure golf, an alternative to mini golf, is very successful in Theme Parks and in the U.S.A. Adventure golf „putting” plays similarly to traditional golf. Each hole includes fun highlights, such as obstacles, water features, and decoration.

The site shows many places of interest of the Upper Palatinate.

On an 18-hole golf course you'll playfully get to know our beautiful region.

Hopefully the game will awake your interest to explore the places of interest of the north Upper Palatinate.

The Upper Palatinate is offering a lot more ....!
